Dom, Rick,

Attached are the most recent WPD "one-pagers" for the State Secretaries Meeting. Rick's minor two changes to PFOA/PFOS are included. New papers from Joel on effluent limits for steam electric power plants and CAFO permitting are included. I reviewed those for copy edits. Thanks again to the authors.

Dom, Rick,

For your review, attached are draft WPD one-pagers requested for the State Secretaries Meeting on Aug. 24. The documents are due to the 16th Floor on Monday. There are two more in development and are expected to be ready by

Unresponsive based on revised scope.

Thanks to the individual authors for preparing the papers.
